## Future of Child Protection?

- Royal Commission's Final report end of 201.
- Ongoing legislative changes for 5 years.
- Movement towards  Standards/Principles
  - Royal Commission – Key Elements of Child Safe Organisations
  - Victoria – Victorian Child Safe Standards
  - SA Principles of Good Practice for Child Safe Environments

## Culture of Child Safety in Education

1. Compliance → Culture of Child Safety.
2. Children are Seen and Heard.
3. Children are active participants.
4. Fixing *bad systems* and not just *bad individuals*.

# Challenge for Educators

*How can educators continue to drive  
cultural change within a school to put in  
place a child safe environment?*
